

TwinTech Ultimate Combi Caster - Total Lock with Cable Sweeper

Move cables and cords aside with ease when transporting mobile equipment. Helps prevent entanglements and accidental unhooking of machines and devices.

Applications

- Hospital Beds
- Day Care and Long-term Care Beds
- Mobile Electronic Equipment
- Anesthesia Machines
- Imaging Equipment
- Laser Surgery Equipment
- Other Complex or Mobile Equipment

Conforms to ISO 22881: 2004

Strong

Pressure die-cast aluminum body provides high strength without the material cost or greater weight of other caster types.

Maneuverable

45-degree cam movement, ball bearing swivel head, and sealed precision wheel bearings for ease of movement.

Durable

Nylon 6 molded wheels are rugged and lightweight.

Quiet

Hard-wearing polyurethane tires provide a smooth, quiet ride.

Attractive

Sleek, aesthetic design with a high-quality, RAL 9003 matte white finish.
